

YUMBAH GREENLIP ABALONE

Haliotis laevisgata

Reliable, consistent global suppliers of all natural, world class quality greenlip abalone. Hormone and antibiotic free.

Yumbah's Greenlip Abalone is known around the world for its tender texture, pearly white meat and sweet, subtle flavour, making it an exceptional choice for sashimi, steaming and light frying.

Sustainably produced in the pure, pristine waters of ASC certified farms along the Great Southern Ocean, Yumbah Abalone is hormone and antibiotic free and high in natural vitamins and nutrients.

The Yumbah Suspended Animation Freezing™ (SAF) technology ensures all Yumbah abalone retains maximum flavour and nutrient content.

ORIGIN	Southern Australia
CULTURING TECHNIQUE	Specialist tanks and raceways
AVAILABILITY	Year round
SUSTAINABILITY	"BEST CHOICE" Monterey Bay Aquarium Seafood Watch List. Cultured using environmentally sustainable production facilities and practices. Primarily vegetable protein source used in feed. Yumbah abalone is certified hormone and antibiotic free.
CERTIFICATIONS	Export Registered, HACCP, SQF, Australian Trusted Trader, Known Consignor and ASC Certified Farms.
PROCESSING	All Yumbah abalone products are processed in ISO and/or AQIS (Australian Quarantine and Inspection Service) approved facilities, providing complete product safety and integrity.

The Yumbah Diamond Grading system is designed to reflect the consistent sashimi-quality of Yumbah Australian Abalone.

Each diamond colour represents a different size (weight) of abalone with the same exceptional

sashimi-quality maintained across the range.

For example: Blue Diamond Grade abalone average 167g in size, therefore in a 1kg pack you will find 6 pieces, and in a 500g pack you will find 3 pieces.
