

YUMBAH AUSTRALIAN BLUE MUSSELS

Mytilus Galloprovincialis

GLOBAL SUPPLIERS OF ORGANIC, SUSTAINABLY FARMED, AUSTRALIAN BLUE MUSSELS

Australia's only supplier of year-round in-season, consistently world class quality mussels.

The Yumbah mussel portfolio showcases Australia's finest quality blue mussels, from reliable, established mussel farms across Australia.

The regional diversity of the Yumbah mussel farms, from the pristine waters of the Mornington Peninsula

to our remarkable farms in Boston Bay, provides Yumbah the unequalled ability to provide plump, sweet mussels with exceptional meat to shell ratio all year round.

In addition to the finest provenance, Yumbah ensures the highest mussel quality standards through control of the entire mussel production cycle, from mussel spat production to grow out and processing.

ORIGIN	Mount Martha, Victoria and Boston Bay, South Australia
CULTURING TECHNIQUE	Longline Culture
AVAILABILITY	Year Round
SUSTAINABILITY	"BEST CHOICE" Monterey Bay Aquarium Seafood Watch List. Grown using environmentally sustainable practices.
CERTIFICATIONS	Export Registered, HACCP, SQF 2000, Known Consignor. Best Aquaculture Practises and NASAA Organics.
PROCESSING	All Yumbah Mussels are processed in ISO and/or AQIS (Australian Quarantine and Inspection Service) approved facilities, providing complete product safety and integrity.

Within the Yumbah mussel portfolio are three of Australia's premier mussel brands, Boston Bay, Kinkawooka and Yumbah Sea Farms. Across all three brands are a complete range of products, designed to suit every need of our customers

and consumers. From vacuum packed live, chilled mussels to our exciting new hot pots and cooked mussels, Yumbah offers Australia's best mussel product range 365 days of the year.
